CERTIFICATE BY GUIDE

This is to certify that **Silpa Mary Saji (CHN22MCA-2051)** has worked under my guidance to successfully complete the project titled GymLytics: AI-powered Realtime Workout Analytics. The student has consistently met with me in a timely manner to discuss various aspects of the project, including progress updates, challenges faced, and strategies for overcoming them. Our meetings have been productive and have contributed significantly to the successful completion of the project.

Project Timeline

Selection of Topic, Submission of Project synopsis and getting approval	18-02-2024
Commencement of the Project	22-01-2024
